†2590. SHRI AJAY SINGH CHAUTALA: Will the Minister of AGRICULTURE be pleased to state:

(a) whether Government are aware of the fact that milk pouches at mother dairy outlets weigh less;

(c) the corrective steps being taken by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI TASLIMUDDIN) (a) and (b) The number of less weight pouches is around 0.4 pouches, per million pouches which is due to technical reasons i.e. power and air pressure fluctuation, when the packaging operations are being carried out. This is within the norm of Six Sigma for the service quality.

(c) Voltage stabilizers are installed and all efforts are made to manually remove the defective packs before dispatch. In the market, replacement is given for any complaint received.
